

After practicing the memory verse and watching the video, print out the attached worksheet. Jesus proved He is God when He compassionately met the needs of the people that day. You can trust that Jesus is God and He can provide for our needs.

1. Write or draw a prayer to God about your needs on your piece of bread.
2. Hang up your bread prayer where you can see it every day so it can be a reminder that we can always trust Jesus to provide for our needs because He is a compassionate God!
2. Submit video showing your prayer and sharing about how you feel knowing God provides for all of your needs.
