PRINT VS. DIGITAL EXPERIENCE

If you plan to do this course exclusively online, you will have access to all the course material digitally.

If you are going to complete some of this course offline, you might have already received a printed version of our lesson manual. If not, you can print at any time using our Print-On-Demand functionality. Using this functionality, you can print a single lesson, an entire unit, or the entire course.

Print-On-Demand does not print the textbooks that you will need as part of your course. Please contact your school directly to have the textbooks shipped directly to you.

As part of your project work or assessment, you may be required to submit a file, image, or video to your teacher. To do this, you will need access to a computer and a camera-equipped mobile phone.

WORKSHEETS

If you are working in the print version of our lessons, all the worksheets that are needed to complete the course are provided in the Appendix as part of the printed packet. Otherwise, PDFs of all worksheets will be linked to the individual lessons. You will need [Adobe Reader®](#) to use these worksheets. Most of these worksheets are fillable and you can use your computer keyboard to type directly in them and save them on your computer.

NOTEBOOKS AND JOURNALS

You may be directed to use a notebook or journal throughout this course. Journals should be used to reflect on your learning and can serve as a single place for notes and information as you move through the course. You can take notes in your physical notebook or even digitally by using an application such as [Evernote®](#).

1 Click on the printer icon in the upper right-hand corner.

2 From the drop-down menu, select a print option.

3 After selecting what to print, a PDF of your content will open and you will be able to print or save it to the location of your choice.

- In English Language Arts, this will be referred to as ELA Journal.
- In Social Studies, this will be referred to as Social Studies Journal.
- In Science and Math, Science Notebook or Math Notebook will be the preferred name.
